Fee Reduction for California Greenworks' Earthfest Event

California Greenworks, Inc. is a non-profit organization that promotes environmental protection, community revitalization, and economic development in urban communities throughout Southern California. Through collaborative efforts with community groups and other non-profit organizations, California Greenworks will host its 6th Annual "Earthfest" at Kenneth Hahn Park from 10:00 A.M. to 6:00 P.M. on April 23, 2011. The Earthfest will feature an eco film festival, healthy lifestyle workshops, free health screenings, urban gardening demonstrations, a green job symposium and a youth ecology camp with hands-on activities and eco-friendly crafts.

I THEREFORE MOVE THAT THE BOARD OF SUPERVISORS:

Reduce the permit fee to \$100.00, excluding the cost of liability insurance, and reduce the parking to \$3.00 for all entrants to Kenneth Hahn Park on Saturday, April 23, 2011, for the California Greenwork's "Earthfest" event.
